Report of Principal and School Improvement Council

Caughman Road Elementary School has been accredited by the Southern Association of Colleges and Schools since it was opened in 1970 and has an enrollment of 724 students in grades Pre-K through Fifth Grade this year.

The school utilized the Richland District One Approved Curriculum to enhance student learning. Teachers at every grade level engaged in collaborative planning sessions weekly to ensure they were delivering age appropriate, standards-based lessons. Through Response to Intervention (RtI) kindergarten through fifth grade students were provided extra help in reading. Reading interventionist provided instruction to small groups of students inside and outside of the classroom. Special materials and frequent monitoring of progress were used to ensure a positive path to reading success. All students in grades one through five are engaged in Success Maker and Accelerated Reader programs to strengthen language arts and math skills. In fact, our students became so engaged in reading that they read over 31,914 books this year.

The Montessori Program is an option for all Richland One Parents. A district lottery is held yearly to determine admission to the program at one of the three District Montessori sites. The Montessori program at Caughman is well received by the community and has a waiting list for admission at all times. The school within a school model has worked well at Caughman and this year we bridged our fourth group of Montessori fifth graders that started in the Primary class.

The school is a PBIS (Positive Behavior Intervention and Support) School. At the beginning of the year, students were taught expectations for behavior and these were reviewed throughout the year by encouraging students to SOAR, an acronym for Safe, On Task, Accountable, and Respectful. Positive behaviors demonstrated by students were acknowledged through SOAR assemblies, Students of the Week, Galaxy Class of the Month, and SOAR bucks. Character development and exposure to a variety of careers are integrated within all subjects as well as provided by the guidance counselor through classroom guidance activities and Career Day.

Numerous Parent University Nights provided parents opportunities to share information on ways they can support and assist the students at home. In partnership with one of our faith based partners, parents in the community were offered free parenting classes and support groups. We believe that building a strong school-home community is vital to the success of our students. For this reason we seek parental and community involvement in all activities. Parent participation in school activities such as Veterans' Day Celebration, Grandparent's Day, Awards Assemblies, Harvest Fest, Student plays and concerts, and Field Day is always strong. Through the tireless efforts of our students, teachers, parents and community, Caughman Road Elementary is making great progress.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	85.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Caughman Road Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
